Students may answer the test in English, Malayalam or Tamil

Registration

- **Opens on 10.06.2026** and **closes on 24.06.2026**
- **Link:** <https://mathcircle.iitpkd.ac.in/>
- **Limited Seats:** Preference given to Class 8 students

Palakkad Math Circle & Its Features

- Around fifty high school students meet with a mentor for a couple of hours in an informal setting on weekends to work on interesting problems in mathematics.
- Each session focuses on a particular topic and the students learn from and interact (in English/Malayalam/Tamil) with mentors who are passionate about that topic.
 - Engaging, interactive, no set syllabus
 - Voluntary, no fee or exams
